

Are you developing world-class leaders?

# Leadership Training *and* Development Subscription

ONLINE | SELF PACED COURSE

## *Unlock the leadership potential of your employees*

**P**eople both recognize and respect leaders, and the inspiration they generate. Despite the massive shifts in today's business landscape, one key success factor remains constant: leadership. Unlocking the leadership potential of your employees will drive your company to leadership in its industry. This subscription will be helpful in developing world-class managers, no matter what department they work in, or which office they work from. We deliver this training in a self-paced format over the Internet, on-demand, when it best suits your schedule - or your employee's schedule. Participating Managers and Supervisors will focus on:

- ✗ How to Interact with Your People to Maximize Their Performance*
- ✗ How to Create a Motivational Environment*
- ✗ How to Effectively Discuss Employee Performance Issues*
- ✗ How to Conduct an Effective Interview*
